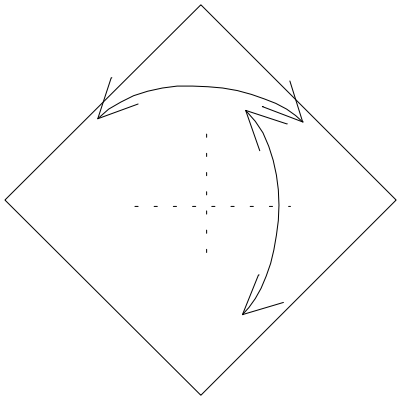
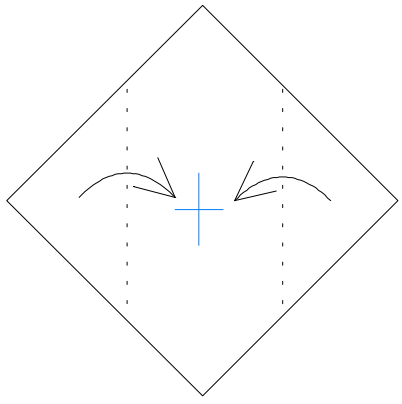
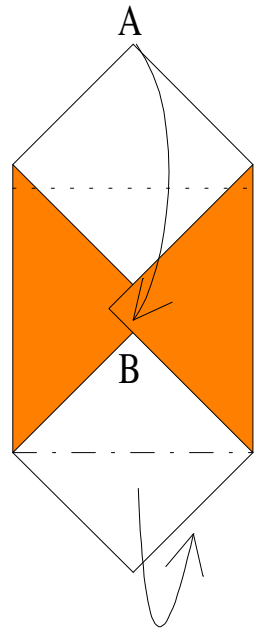
(1) Use orange/non-orange duo-color square. Start with orange side down. Mark center using diagonal folds



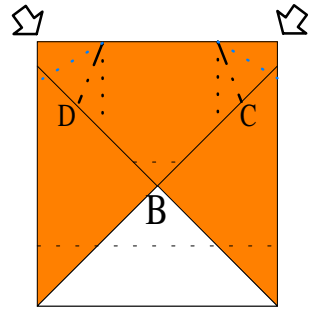
(2) Fold side corners to cover center mark; They will overlap as shown in the next step. (JF)



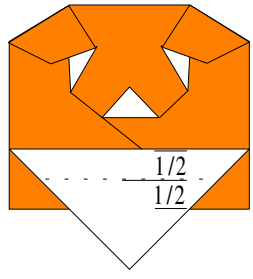
(3) Top corner A to B; mountain fold bottom corner



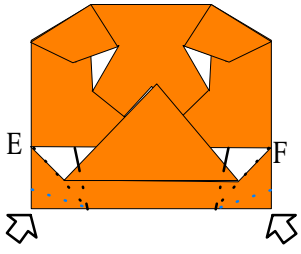
(4) Push top corners and Swivel C and D to form the eyes and round the corners (JF); Fold center tip up to form nose (JF); Valley fold bottom edge to meet Point B and bring triangular flap behind to front.



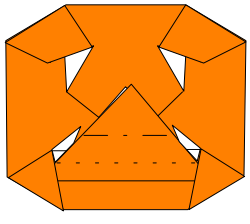
(5) Valley fold



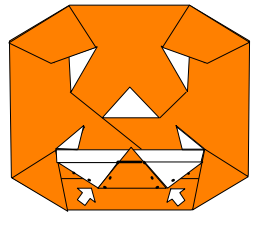
(6) Push bottom corners and Swivel E and F between layers to round the pumpkin (JF). Make sure leave some non-orange color out.



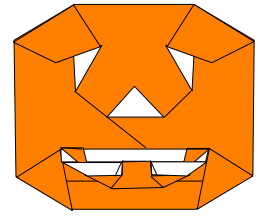
(7) Valley and mountain judgment fold



(8) Tuck all 3 teeth into mouth and shape the center tooth by swivel folds



(9) The finished Pumpkin Face



*** JF - Judgment Fold**
